

Cookie Policy (EU)

Description

Cookie Policy (EU)

This page explains how cookies and similar technologies may be used on the Vezuff Books website, what they support, and how visitors can manage their consent choices.

[Read Privacy Policy](#)

How cookies are used

Cookies are small text files stored on a visitor's device when browsing a website. They can help a site function properly, remember preferences, measure performance, and support embedded or connected services.

On this website, cookies may be set by WordPress, theme or plugin features, consent-management tools, newsletter or contact form integrations, and any embedded third-party content that is active on the site.

- Functional cookies
- Analytics cookies
- Marketing cookies
- Third-party cookies

Visitors should be able to understand what cookies do and make informed choices about optional categories.

Because site features can change over time, this policy should be read together with the [Privacy Policy](#) and the cookie banner or consent tool presented on the site.

Review your choices

You can update your cookie preferences at any time using the consent controls available in the bottom-right corner of the site, or review the Privacy Policy for more information about data handling on Vezuff Books.
